Z-Class Pump Adders - Can\$ Pricing (Dec-08)

How to determine the price of a model number not listed above:

1. Find the price of a pump that is the same pump type from above.
2. Add the appropriate option price(s) to determine your complete pump price.
3. "n/a" indicates an option is not available for that pump series.
4. "std" indicates this option comes standard for this pump series.
