

Product Line Card

Hydraulics

Enerpac	High Force Tools. Work Holding, Components. Modified Product to Suite Application. Warranty Repair Depot, All Products. Repair Parts, All Products. Application Assistance.
Hydra-Pac	Work Holding, Power Units. Machine Tool Interface, Power Units. Work Holding Components.
Pascal	Work Holding, Components. Quick Die Change, Components. Quick Mold Change, Components. Warranty Repair Depot, All Products. Repair Parts, All Products. Application Assistance.
Nachi Hydraulics	Valves, Pumps. (Parker Interchange)
Hytec	Warranty Depot, All Products. Repair Parts, All Products.
Power Team	Warranty Depot, All Products. Repair Parts, All Products.
Scanwill	Hydraulic Intensifiers.
Oil Air	Hydraulic Accumulators/ Coolers.
World Wide Fittings	Hydraulic & Pneumatic Fittings.
Cowan Dynamics	Hydraulic & Pneumatic Cylinders. (Parker Interchange)
Hawe	Hydraulic Components.

Coolant Products

Hydra-Cell	Wobble Plate Diaphragm Pump
Grundfos	Vertical Multi-Stage
Gusher	Vertical, horizontal, and self-priming centrifugal pump, industrial machine tool coolant pumps
Little Giant	Small Submersible Pumps
G & L	AQUAVAR microprocessor pump controls, stainless steel, all iron, bronze fitted, centrifugal, Vertical Industrial Turbine, submersible, multi-stage and self-priming pumps.
Crown	Industrial self-priming pumps, and trash pumps.
Barnes	Submersible sewage and grinder pumps.
AMT	Centrifugals, Self Priming and Engine Driven Pumps
Hydramatic	Submersible, Self-Priming, Grinder Pumps
Knoll	High Pressure Machine Tool Coolant Pumps
Brown & Sharpe	Rotary gear, vane, and centrifugal pumps.

Additional products

Deublin	Rotary Unions
NRP Jones	Hydraulic Hose
IFM Efector	Switches
Vektek	Workholding components
Carr Lane	Workholding components
Jergens	Workholding components
Barksdale	Pressure Switches
Wika	Gauges, transducers
Tomco	Air products
Zinga	Filtration

Specialties

Robot Interface Power Units

Special Application Product

Custom Modifications

Die Splitting Systems
